solved

One phone call made the difference.

Tony and his partner seemed to argue all the time, so he called his Employee Assistance Program (EAP) for help. Within minutes, he:

- Spoke with an EAP consultant about how to work through disagreements
- Went online to learn how EAP could help
- Received educational packets on how to choose a counselor
- Obtained contact information for providers in his area specializing in relationships

**Call your confidential EAP any day, any time,
for free assistance with information, resources
or a referral to help resolve your concerns.**
