solved

One phone call made the difference.

To plan for his family's long-term well-being, Steve called his Employee Assistance Program (EAP). Within minutes, he:

- Spoke to an EAP advocate who connected him with an attorney to discuss the steps involved in estate planning
- Received contact information for legal assistance specializing in writing wills
- Received worksheets for beneficiary planning and listing for assets and liabilities
- Went to www.cignabehavioral.com for tips on creating a financially healthy family

Call your confidential EAP any day, any time, for free assistance with information, resources or a referral to help resolve your concerns.
